Maybe the BID Ambassador could do the business placement. It may have to be today only, however. He's off duty tomorrow (Friday) so that he can work the event Sunday. Would that help? Can the hangers for business distribution be delivered to Miki's office asap this am?

Good morning,

I got a Vitalization check for \$1,700 from Bob yesterday for the distribution in 90045. Then I picked up the 10,500 door hangars late last night. Michael (the distribution company) and his crew picked up 10,000 at 6:00 this morning for distribution today and tomorrow. I saved 500 for local distribution with our local merchants. Is there someone who can place these in key businesses? At Bob's request, I sent a letter to the Westchester Assoc advising them about the new market (see attached)
